Dental Rewards®

This dental plan includes a valuable feature that allows qualifying plan members to carryover part of their unused annual maximum. A member earns dental rewards by submitting at least one claim for dental expenses incurred during the benefit year, while staying at or under the threshold amount for benefits received for that year. In addition, a person earning dental rewards who submits a claim for services received through the dental network earns an extra reward, called the PPO Bonus. Employees and their covered dependents may accumulate rewards up to the stated maximum carryover amount, and then use those rewards for any covered dental procedures subject to applicable coinsurance and plan provisions. If a plan member doesn't submit a dental claim during a benefit year, all accumulated rewards are lost. But he or she can begin earning rewards again the very next year.

Benefit Threshold	\$500	Dental benefits received for the year cannot exceed this amount
Annual Carryover Amount	\$250	Dental Rewards amount is added to the following year's maximum
Annual PPO Bonus	\$100	Additional bonus is earned if the member sees a network provider
Maximum Carryover	\$1,000	Maximum possible accumulation for Dental Rewards and PPO Bonus combined

Dental Network Information

To find a provider, visit ameritas.com and select **FIND A PROVIDER**, then **DENTAL**. Enter your criteria to search by location or for a specific dentist or practice. When prompted to select your network, choose the Ameritas Classic Network found on your ID Card or contact Customer Connections at 800-487-5553.

Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.
